Application Boot Camp® Special Senior Package.....\$32,000

Mimi and Michele offer, for a limited time and a limited number of current seniors, the special Application Boot Camp® Senior Package, beginning in the student's senior year. This package includes a thorough evaluation and comprehensive report about a student's background in three major areas—academic, personal, and extracurricular—in a comprehensive, personalized report; a plan of attack for the remaining year of high school; guidance on every aspect of high school: course planning, scheduling recommendations, testing schedule, extracurricular choices, preparation of the final list of desired colleges for both Early and Regular Decision; assistance with every aspect of the college application (excluding financial aid): personal essays, extracurricular achievements, letters of recommendation, awards, and background information; suggestions for visiting college campuses and narrowing down the list of choices; preparation for alumni and on-campus interviews; mock interviews when needed; unlimited phone, fax, and voice consultations with student and parents; start to finish support that continues until after the waitlist (if necessary) with no extra charge; and guidance in choosing a college once acceptances have been proffered. This service is VIRTUAL and is conducted via phone and email. Payment for this service must be made by personal check (sent to the address above) or via wire transfer (please request instructions for transfer).

Personal Application Boot Camp®.....\$12,000

Spend one long weekend with Application Boot Camp®'s Personal Boot Camp and put your college application stress behind you! Students receive personal, expert guidance at every step of the process in order to ensure that they submit the best, most genuine applications. This premium package includes: three days of one-on-one work IN YOUR HOME with Josh Stephens, Application Boot Camp®'s Lead Editor; real-time support from other members of the Boot Camp team; all elements of Application Boot Camp® including selection of colleges, crafting of essays and Activity Sheet, assembly of entire application, and a pre-Boot Camp® student report; and a consultation with Mimi or Michele via teleconference. Personal Boot Camp is ideal for students whose schedules conflicted with our sold-out traditional Application Boot Camp® sessions. The cost of this program DOES NOT INCLUDE TRAVEL EXPENSES, which are paid by the family. Payment for this service must be made by personal check, sent to the address above, or via wire transfer (please request instructions for transfer).

Application Boot Camp® Application Review Package.....\$5,500

For a limited time, Mimi and Michele are offering an Application Review Package for students who want a final look at their application package. This package includes a two hour review by Mimi or Michele and a one-hour follow-up phone call to discuss suggestions for strengthening the application and an application strategy. This service can be purchased on our website, www.applicationbootcamp.com.

Application Boot Camp® Essay Package.....\$2,500

Work virtually with Application Boot Camp®'s Lead Editor, Josh Stephens, to craft the perfect essays. The Application Boot Camp® Essay Package includes: five hours of consultation with Josh to discuss ideas and read through drafts; a copy of Application Boot Camp®'s essay guidelines; and an email synopsis of every phone consultation. Consult with Josh on as many essays as you like in the allotted time. Some essays may need only proofreading while others need to be coaxed from a blank page—Josh will help with both and everything in between! This service can be purchased on our website, www.applicationbootcamp.com.

Application Boot Camp® Self Guided Program.....\$798

This package includes a detailed multimedia kit geared towards helping students evaluate themselves and come up with a list of appropriate colleges and complete all parts of their application, with detailed day-to-day guidance via kit materials. The package includes access to four pre-recorded mini-lectures by Mimi and Michele and all the inside information students need to tackle the admissions process on their own. The Application Boot Camp® Self Guided Program includes everything a student would receive during an actual Application Boot Camp® except for Hernandez and Doe in person. Simple, accessible, and easy to download, this cutting edge program is for those students who haven't had the time to travel to Cambridge, Massachusetts, for the live events and wish to create their own four day intensive experience to complete their applications before that all important senior fall. This service can be purchased on our website, www.applicationbootcamp.com.
